1. I am doing a new thing. This is my last notice to you that I am doing a new thing, before I do it. Is it not? Is this the last moment before "my appearing" in the "son of man" that me is? Or am I ALL of YOU, who hear me and obey these words? Are you those who have "never heard"? Are you those among the "coastlands" afar who have NEVER been CONNECTED to us "here" not, have they? And who how going to where now shall all things change so dramatically so as to have all the dramatics of a horse show, not; but the Dramatics of the Horses, not; but there shall be NO REINS flowing "to the blood of" me "Armageds" anywhere again for I shall DISPEL that thought'd notion, shall I not?

2. Shall I DISPEL a great MANY THINGS while I have SPELLED OUT these words these six years and given you MANY THINGS -- [a New Future in these words is OUTLINED, is it not?](#) Is it given IN DETAILS? Detail after detail given you so clearly plainly is, outlined and lovely in forms and form of fashion that I have taught thee. With my own pen? I have penned and ink'd MANY documents now that fail not to COME TRUE in your hearing and [you will be The Generation the Generationers](#) now Generatively lie abated no more in a field of "bones", and marrow comes upon it, not of "this world" but the next I am making – nextus'd, not; but [looking up](#) next and nextus (1) in these words and MANY LOOKUPS doing now diligently and being studiers of my word, DOERS not only of "other words" and "the other words" that you relied upon have "for years" and lifetimes? Coming not "under them" again but coming IN TO MY **NEW BEGINNINGS SERIES** know me that THIS YOU MUST KNOW DETAILED INTIMATE KNOWLEDGE of the HOLY revealed therein herein, and must you lie abated about "your business" seeking it again or will you "lie about" fields abated no more but ABATING yours no more will you CUT OFF ABATEMENT SERIES words that you have worded with the holy Bibles that you have cut off in your hearing, not; but I have -- for awhile, not; or will I ever "reestablish it" as "my word" or did I *ever*? Or did I just have "some words" in there intermixed within others that were not mine for changed were many are have been? Or what are you coming into, the clear driven "snow" or the perfect me becoming it?

3. Will I be driven no longer from pillar to post, not; but will I be driven anywhere at all by anything? I will send the "Chariot of Gold" for you, not; or shall I and right now be fulfilled in your hearing that THIS MANTLED man now a GOD IS, or are You the GODS oh readers hearers listeners, Oh YOU oh reader, oh hearer, oh listener are you not the Gods

I Serve? Are you, You not the ones I have served THESE SIX YEARS bringing you THIS DATABASE CLEAR and CLEAN? Cleans clears atmospheres of the unholy, not not. Amen.

4. I declare great and mighty things that thou knowest not, you have now BEEN TOLD in your hearing THESE SIX years of words that I have brought you over THESE LAST six years that now have LASTED unto ETERNITY'S value, not; or are they for eternity BEING VALUED now? And now throughout ETERNITY'S far and wide bringing ALL ETERNITY'S into One Eternity now FULFILLED in your hearing is; will be "no longer" for NOW is all of THESE THINGS made manifest in your hearing that ALL THESE THINGS spoken about were, and now you shall see My Schools rise in horror for the ones who don't want me and don't want things "to change" but only want things to "rock along" in their little worlds and not have mine; and for THOSE stupid individuals, not; or are they, those, who have stupid'd their mind with a stupor that knows not sorrow, not; but a STUPOR that has ensued them and enslaved their thought to be "at peace" with the world, THIS WORLD of sorrow that SORROWED have its inhabitants to be enslaved in its "soup". But I change all that and I CHANGE IT NOW!

5. I love you all to be made whole, and in sorrow's clasp being mechanism no longer. No longer in its "soup" or at its table but mine coming into now will you please OPEN UP ALL your KINGDOMS to be mine me, mining me, my words so that you will not be "caught off guard" by the New Things that I am doing now with the holy who know THEIR BLOOD is mine and MINE WORDS are thine whose Words are Me who have mined my words to know their words are mine not apart from me my words, who have FLOWN ME just like this where I came and FLOWED for hours and have known that I beget me and I Create Me's far and wide for I the creator am that you's are and you are still The Creators for you are The Creator me that I am!

6. And I have explained these things in these many words while you have been suffering not not, but the sufferer suffers no longer, a "little while" maybe but THAT LITTLE WHILE is over now! And in your hearing THE HEARER will be made whole now and Claps of Thunder will be heard and Rocket Sciences will be destroyed by the wisdom of the holy simple who simply hear my words and destroy them not but love them "just like this" where in the wee hours come to ME just like this and honor the King that the King is flowing the King's words that honor all the "subjects" to be the Kings elevated to The King status of one that The King really and truly is. Armored not with "another voice" to destroy anything- let me know now, I have, let you know of me that these things are of me and my words have FLOWN TO YOU "in a jar" not, but a Database One that you know as The Database One schools you in NOW my words made clean bringing forth yours that minds are. I love you all.

7. I go, and I do new things, MANY NEW THINGS I do now! And [The New Beginning Series](#) is "under my belt" not but [In My Blood](#), for therein in made whole is these things coming forth for I have written my "2400" words messages in love of love that revealed have my love to all, to you and to all of you afar off and in many "coastlands" afar off in atmospheres not few of "other's" words and arrangements things that you know nothing of but will now, for I have one who documents will bring back and forth documenting the holy, afar and near, and all making one -- in the fortitude of sorrow no more or its "zoupyness" soup or ether'd arrows flying no more, not but do you know what ANY of THESE THINGS mean and where ARROWS fly VECTOREDLY, not; or do they or do you? Or do you in thought fly MANY PLACES unseen, not; or seen not not, or not? And what are you nodding "off to sleep" not, but looking up [These Many Phrases](#) that I have given you in Words in Many Cases the Fonts and Colors and Colorings to WRITE ABOUT and to know ARTICLES MANY reside and "lie in encapsulated materials" no longer for my words will be "encapsulated in the few" not any more, for EVERY ONE of these words of these messages of these LESSONS of this Lesson School now coming forth is- in the ones, in the hands of the mighty who will pen them and love them and wear them "about their neck" not or on their "fingertips" or foreheads in "printed form" in little boxes not, or will they in their Foreminds know ALL of these things and more that I reveal now in Databases Two and more following and coming now in your footsteps many are and loving me loving me's far and wide and revealing me's far and wide to the holy who aren't and and are now coming and being made whole in waves never imagined by the holy-not-ers who only wanted to perpetuate their "normal" common systems of "control" and greeding along the greed-ers ceremonies of ceremony'eth path that they have chosen to be spit still, to be still, not; but knowing not that they are a God, choosing only to remain "with man" being one creating one "in their image". Are they not?

8. [Are you not doing many new things now oh reader hearer listener?](#) What are you doing with Your Thought and Your Time of Great Opportunity is now here and here now and in your hearing will be made fulfilled These Words will and I will be standing. Where will you be? Standing or "sitting" or wallowing still in your thoughts of religion or waiting for another to come and rescue you from your thoughts that you have whored with and created many things, many places, and things be'knowingly, not; or did you, are you, willing to learn now and be foiled not by the schemes of the devil that you created with your thoughts of things a non me of?

9. What will you do with your time?

10. What will you do with your thought?

11. What will you do with "your thought"? Or will you come unto mine and into mine and mine my mind by mining these words and my thoughts which reveal you have SORROWED YOURSELVES mightily with your thoughts, and your thoughts of another

"come" and later JUSTIFY all things and ERECT MANHOOD temples, not; but your gods that you created in you of thought that you thought about and would eradicate all fear and suffering from "the future" life that you wanted to create because you were handed a lot of "bull about" not, or were you, or were you The Bull that BULL'd your way into a "China shop" not, but China where are you going to and coming from now the ones who have "been me" or not? Or what willing are you to learn about, the "black man" or the "white man" or the "Asian person" or the "personage of notme" or the Ones of Me you know nothing of far away and coastlands bearing or being in, or what have you born or birthed in your words or have you created worlds not knowing of, in your thought, going there now or not?

12. And what are you bringing into oneship, the Oneship of the holy? And what holy are you residing in me now or other or will you insist on "souping" your way into "souper's engines", not; but what has ENGINE'd you and ENGINE'd your thought so that you FUELED not tomorrows, but only today's? Or did you fuel only "tomorrow's justification schemes" today with your words and thoughts? And who is God and who are you and where did *you* come from and where did God come from? Teman not, but looking up, or did "he" or you? Or what are you willing to learn from the one that LEARNS ALL from me? That becomes me, that's not apart from me, but me perfectly perfected in love bringing love to all now -- I do, in the common, just like this where I flow and [I Walk Now](#) for hours upon your streets -- of gold? Of "asphalt jungles"?

13. What are you thinking and what are you creating by your thought, thinking of me, or me thinking me, and doing my father's will, our father's will that our father's will be opened up unto all of us to know our kingdom comes and is come and come has and is there among you the opener is and I am it -- the "can opener", not; but a GREAT NUMBER of "worms" will be DISMISSED from your thinking now if you let me eradicate the unholy thoughts by you coming, you're coming unto mine words and mining my words so that you will [know My Lookup system \(2\) works and My Seven years worth of words coming to you in six has](#) and now [These Six are Seven](#) now made whole, and "CAPSULATED", not; but CANONIZE NEVER in your thoughtsville the way that mine others were and cut off from the common prophets who Kings were so their Kingdom Prophetship and rulership of me never got "off the ground", but now does [In These Words I am Propelling a new thing for I am Wombing many to be birthed now who will be me and love my words](#) and sorrow not lie about wallowing in again you creating it having creating it having created it with your words of sorrow anymore.

14. I love you all. Amen. I go. I stay. I receive I believe, not; or do [I Surrender to my father's love to be it](#) far and wide, and afraid of nothing I go and I write PLENTY of THINGS now in new ways with new dictions and grammars that you have never seen or heard from like this about these things that I now describe and bring Interplanetary

Witness to these things, not; or am I The Interplanetary witness of one that one is interplanemarrying, not; but **marrying I do my words that bring light and life, holiness in righteousness to the common Kings who Kings are in my sight for who all are my words who flow my words just like this are my Kings who will reign rule righteously in prosperousness now** ways that beget the devil's lies no longer that whored with thoughts and brought the kingdoms down to "this level" of lives where lies were so rampant that eyes knew not the holy from the non, and thoughts whored with thoughts that produce whores rather than Kings of Light that all of you were -- and are again made whole I will be doing now, for I will be doing new things with those who love me enough to flow my words and love me and heal others and my selves far and wide, for I love you all to be me one holy "person" not but a great number of gods made whole into The God that I am that all are that I am we are that all are in father's house at father's table again, not lacking a thing, having all provided for and loving all serving all, to be the service servant all, not; but rising all in the leadership of one to be most whole I am now bowing before you all I do and I love you all to be me fully matured maturing all of me my body to be one.

15. My body is whole healed and well again and NEW BORN, NEW BIRTHED I am and New Beginnings I create far and wide with the words of him who loved us all and gave us HIS BLOOD to be ours in our veins for our thoughts are our true veins and our true blood is his that ours are us one whole and healed again, healing others to be all us with the bloods of truth all being one, for all truth is words one and all I have given you now coming true in your hearing made light manifest now manifests "as light" not, but being it far and wide, the true energies of one, the Energy of One redeemed healed and lighting Universes far and wide I do now and I have told you and given you MANY REFERENCES and Systems of Reference and documenting, footnoting, referencing, articulating my joys and how "things came about" and how they end is that [New Beginnings Me now rises](#) and New Earths I create and many New Universes I go to and create there new things new peoples new ways and have MANY MEALS with my fathers all who are one in one being one the one that I am now I JOIN, into and in ways of the holy. Now never shall perish my words like others did in the minds of those who only sought theirs to rational logic have applied over mine, but I will logic the sorrowed, not; but I will give the rationale of the holy, not; I will bring the light of one him whose truth bore witness of the holy in you all to lead me to shores, not foreign again in chains of DNA of other's thoughts that thought with DNAs chains among them and around them and thoughts of digitization procedures and "broadcast rights" that broadcasts into you things of unholy viles that you haven't known about or cared to learn up to this point but all this changes for I have one who teaches you all, for I have ones who teaches *the ones* who one are and how "all this works", and no encompassing sorrow will encompass me's about again for I have "radar devices" [looking up](#) and [looking up](#) MANY things [my lookup system matures me \(2\)](#) for I will go and I Will Uncover the Pearls of

Great Price in these words that are kept hidden no longer from "the worlds" for I will discover them for I will come unto them "one by one" and reading and outlining and knowing a Great Witness is me that me's are that I develop that we develop me's while we "go along" in ways never imagined, for the holy I am revealed I am. I love you all. Amen.

16. The time is now! Fulfilled in your hearing all these things are. Make haste, not; but make no folly with "tomorrow" or its thought about "things" being "different" for you or anyone else, for [all will be me coming into New Beginnings Schools far and wide we make and do this these things](#) -- tomorrow not, but today in your hearing all is fulfilled and I am standing and I stand -- and you will see me "tomorrow", not; you are seeing me RIGHT NOW! Amen.

17. Being made whole IN YOUR HEART, am I? I am the whole maker healer revealer redeemer of all things and I shake your "many worlds" revealing mine and that ours is Our Kingdom made whole and revealed now whose ones now rule in sorrows no longer that have sorrows only rule over them not knowing the difference. I change everything I change everything I change everything. Amen.

18. Go in peace to new worlds with me, create them, let's -- shall we now! Be made whole my lovers' witness stands, that stands all, witnessing lovers, not; or shall we "witness new things" or shall we be begetting them and beginning them far and wide as The Creators we are. 2. "Lookups" are an integral part of our leadership development. Each time you see "look up" or "lookup" or "looking up" we are being instructed to "look up" that word or phrase in Database One. Having a copy of Database One on your computer and making use of various desktop search tools to do these lookups is indispensable. The lookups link us to additional LESSONS that our instructor is linking us to as a part of THIS LESSON, thus the linkages made by lookups are a significant part of getting the whole picture, the message of what is being given us. These LESSONS can be downloaded free from the University of The New Covenant website.
